**How to purchase T-shirts & they come in Pride six-packs too!**

"Gay Rights for All!"™ t-shirts are available on the internet exclusively at [www.gayrightsforall.com](http://www.gayrightsforall.com) and at Murray Hill's 2008 holiday show, "A Murray Little Christmas," December 13 & 20 at The Zipper Theater (336 West 37th Street) in NYC.

Individual t-shirts are sold for \$22 and the **Pride Pack**, which includes all six colors of the pride flag, is sold for \$80. All t-shirts are available in unisex sizes: SMALL, MEDIUM, LARGE and X-LARGE. Each purchase comes with a black "**Gay Rights for All!**"™ sticker. And now, just in time for the holidays, buy a red and a green shirt for just \$35.

**When Murray first said, "Gay Rights for All!"™**

The phrase "**Gay Rights for All!**"™ is near and dear to Murray's heart. He has been a lifelong supporter of gay rights. In 1996 when Hill ran for Mayor of New York City, "Gay Rights For All!"™ was part of his inspirational campaign message advocating gay rights in the same way politicians championed "equal rights." Twelve years later, gays everywhere are still fighting for equality, and with the recent bans on gay marriages, Murray felt now was a great time to send this message out again in a colorful and positive way. Murray says, "I believe the flag principles should be applied to everyone, and everyone should have gay rights! GAY RIGHTS FOR ALL!"

**A portion of proceeds go to The Ali Forney Center**

Truly a gift that keeps on giving, a portion of each sale will go to The Ali Forney Center. Founded in 2002, The Ali Forney Center (AFC) is the nation's largest and most comprehensive organization dedicated to homeless LGBT youth. AFC currently provides help for 2,000 persons a year with services including five emergency housing sites, four transitional housing sites, a day center that offers clinical and support services in Manhattan and an additional day center that focuses on education and vocational training. The center was named in memory of a talented homeless gay youth who was violently killed on the streets of Manhattan in 1997.

Share the positive and important message with friends and family by giving "**Gay Rights For All!**"™ t-shirts this holiday season...and never stop waving that flag!
